Commodore: Ron Hammer

It has been a pleasure serving as your Commodore this past year. I had an incredible amount of support from everyone. Despite all that was going on, I never felt overwhelmed.

Vice Commodore: Tony Capuano

I was very proud to serve with Ron this past year. Despite wearing 2 hats all year, he did an outstanding job! We had a great cruise, a good time was had by all. We appreciated seeing the members that drove down to join us.

Dock Master: Ed Kalesnik

Approx 60 feet to go on the replacement of the decking on our docks, and 3 more tanks to install. We need to be done before November before we pull the docks. Thank you for the help you can provide.

President: Mark Gallone

Thanks to all members who assisted with the Von Neida. Despite attendance more than 500, the whole day was smoothly run. Food was available throughout the day, and up until 1000PM for our guests to enjoy. WELL DONE by EVERYONE!

There was a blonde driving down the road one day. She glanced to her right and noticed another blonde sitting in a nearby field. She was in a boat rowing, with no water in sight.

The blonde angrily pulled her car over and yelled at the rowing blonde, "What do you think you're doing? It's things like this that give us blondes a bad name. If I could swim, I'd come out there and kick your butt!"

FOOTBALL SUNDAYS ARE BACK!

\$5.00 per person for Great Food, 50/50, Good Friends and lots of Fun! Come out and ENJOY!

While watching a football game a couple weeks back, my wife and I were discussing life and death.

I told her, "Just so you know, I never want to live in a vegetative state, dependent on some machine, and fluids from a bottle. If that ever happens, just pull the plug."

She promptly got up, unplugged the TV and threw out all my beer.

Some days I hate being married to a smart alek.
