We made great progress on our docks, there are (were) a few loose ends that need to be tied up. Thanks to Butch Gricco for the use of the pole crane, and rigging chains. Thanks to Charlie Piscopo and the 6 crane operators, and of course thanks to Bill Riegle for all the work done on our outside kitchen. John Brolley Jr. provided the light pole for our parking lot, and thanks to Dennis and Jason McDaid for installing it. Thanks to all the members who pitched in to help get the club ready for the season.

Two elderly fishermen, John and Paul, were out on the lake bright and early one morning. They sat silently as they fished. Each kept very still so as not to frighten off any fish. After six hours, John shifted his feet. Paul said, "What is it with you? Did you come out here to fish or dance?"

The new electric service line has been installed by Tinicum Township, they did a nice job replacing the asphalt. We will need to have the asphalt resealed.

FISH FOR FREE days are available during the summer months. Participants do not need a fishing license to fish on a designated "Fish for Free" day. Check out the calendars at:

The End is Nearer Than You Think !

A local priest and a rabbi were fishing on a bank on the side of a road. They thoughtfully made a sign saying, "The End is Near! Turn yourself around now before it's too late!" and showed it to each passing car.

One driver that drove by didn't appreciate the sign and shouted at them: "Leave us alone, you religious nuts!"

All of a sudden they heard a big splash. They looked at each other and the priest said to the rabbi, "You think we should just put up a sign that says 'Bridge Out' instead?"

If you have two people in a boat slapping at each other with the oars, what is it called?

(Answer) Rowed Rage
